TAAPCS Welcomes Kelley Charlebois As New Executive Director

September 1st, 2022, Calgary, AB – Public charter schools proudly serve students, parents, communities and educational partners within Alberta’s public education system, giving voice to Albertans’ shared vision for education.

The Association of Alberta Public Charter Schools (TAAPCS) is delighted to announce that Kelley Charlebois of Maple Leaf Strategies Inc. is our new Executive Director.

Kelley adds a new dimension of expertise and experience to the TAAPCS team. As Albertans unfold the future of our province Kelley’s unique professional experience in government relations, public affairs, policy, communications and large association operation will be invaluable to our members.

“TAAPCS is delighted to welcome Kelley as our new Executive Director. Kelley’s knowledge, capabilities and deep passion for Alberta will add crucial leverage to the aspirations of our membership. We extend our most appreciative thanks to our past Executive Director, John Picard, who is now enthusiastically engaged as Superintendent of the Calgary Classical Academy, a new public charter school. We look forward to helping make Alberta’s future bright - together.”
