Dear Ed,

We were delighted to hear that the College of Alberta School Superintendents recently honored you with the acknowledgement of being the longest standing superintendent in the Alberta Education system.

TAAPCS extends our deepest appreciation for your professional investment in education and your unfaltering support for choice and engagement of Albertans in their school communities. We are fortunate to have benefitted from your sustained educational leadership and passion for the developing young people of Alberta.

Cindy Paul, Vice-Chair of Mother Earth's Children's Charter School, described your indelible contribution to that public charter school;

“Ed Wittchen is an amazing leader with the ability to inspire greatness in those around him. Not only is he a pleasure to work with, but he is a wonderful and caring person who is a dear friend as well. We, at Mother Earth's, are so blessed to have Ed as the superintendent of our school. “

Thank you Ed, for working so hard to ensure that public charter schools continue to contribute to the shared vision for education in Alberta.

Sincerely,

Ron Koper,
Chair, Board of Governors
