

## 2024 TAAPCS Spring General Meeting Set for 25 May 2024 at New Horizons

As per our Bylaws, official notice of the 2024 Spring General Meeting of TAAPCS was sent to members. The SGM will be held on 25 May 2024 in Sherwood Park at the New Horizons Charter School beginning at 11:00 a.m.

Items to be dealt with include the approval of fees and budget for the 2024/2025 year.

We will determine the date for the AGM but under the 2024 Bylaws this should be in November going forward.

There are no special resolutions but under the auspices of Strategic Planning there will be discussions on 3 items. The interest in submitting a 3-year capital request to government from TAAPCS members, weighted voting (where larger schools might have more votes) and priorities for 2024/2025.

On 24 May we are looking at Edmonton school tours beginning at noon if you're able to join. We will likely start on the south side and make our way to available schools. We have dinner at the Sandman Inn through CHOP and again I will need to know numbers. To keep costs down, individuals (or schools) will be responsible for their meals at this event.

On the 25th, Superintendents and Secretary-Treasurers start at 9:00 a.m. at New Horizons School, at 10:00 a.m. all are invited for a school tour and the SGM begins at 11:00 a.m. Lunch will be served while the AGM discussions proceed.

Lisa Davis needs to be advised of your voting delegate for the AGM. It has been our convention that each school be allowed 2 attendees. We're going to relax that and ask you to invite guests from your schools to the AGM if you wish. This will be a great opportunity to meet the broader team of Public Charter School supporters. I will need to know numbers from each school only to ensure there is enough lunch for all.

I'd like to thank Terry and Adam specifically but also the entire New Horizons team for agreeing to try this a bit differently. Never shirking they are also holding a family festival that day so we're also going see parents and students around the school on Saturday!

Please reach out with any questions.
